AFC would like to share a warm welcome to its newest employee, Maureen Helfers!

Maureen officially started working as an AFC employee on August 8, 2011 with the role of Technical Assistant.

For the last month, Maureen has been supporting fellow employees with various duties and diving headfirst into our numerous insurance programs!

Currently residing in Bethlehem, Pennsylvania, Maureen is originally from Long Island. As a recent college graduate from Moravian Col-

lege in Bethlehem, she comes to us with a Bachelors Degree in Business Management. Maureen has also had experience in Human Resources during her externship with the Major League Baseball.

In her spare time, she's an undeniable athlete. Maureen enjoys playing field hockey, running and reading. Her strong sports-minded background has afforded Maureen many leadership positions and accomplishments.

Her personal goal at AFC is to learn the insurance business from the ground up while succeeding and growing in underwriting.

We are very excited to have Maureen join the AFC team as we look forward to witnessing her many future achievements!
